Dear Parents and Caregivers,

Ordering your child's 2024 resources with Box of Books : **Closing date 8th December, 2023**

We are pleased to announce our continued engagement with Box of Books for the provision of digital and physical education resources for the 2024 academic year. Our school booklists are now open for you to complete your order.

Students will have access to prescribed digital textbook resources from the first day of Term 1, 2024 via their Box of Books account. The school will pre-purchase these resources on your behalf.

'Mandatory' and 'optional' **physical books** are available for purchase as indicated on the booklist. While optional physical resources are not mandatory to purchase, a significant discount is offered on these titles, should you wish to do so.

To ensure you receive your physical items in time for the start of the school year, please place your order by **Friday, 8 December, 2023**. For orders placed after the due date, the availability of items for *Back to School* delivery cannot be guaranteed.

Steps to order:

1. Visit [Box of Books Shop](#) to log into your existing parent/guardian account or create a new account if it is your first purchase.
2. Add each student, including school email if possible, and nominate school and year group.
3. Select the items you wish to purchase from the booklist shown .
